3. Print the readings by pressing 'Print List' or send me the below highlighted figures on the email.

The screenshot shows the 'Meter Count' screen on the control panel. The screen displays a table of meter counts for different functions. The 'Total (Copy + Print)' value for 'Black' is circled in red. The table is as follows:

At the bottom of the screen, there are buttons for 'Print List', 'Coverage Rate', and 'Eco Info'. The date and time '09/14/2011 16:53' are displayed at the bottom left, and a 'Close' button is at the bottom right.
